Mr. Eric P. Newman

Dear Mr. Newman

I'm delighted to hear from you. The three issues of the Lettered Edge are enclosed. I hope you find it useful to join with us. We meet often in connection with area shows and we hope to have a few of us at ANA in St. Louis in August.

Of course, we are familiar with you and your book on the 1804 dollar.

I would appreciate learning more fully of your interest in the '94 to '03 dollars. A contribution to the next issue of the Lettered Edge will be very welcome. Are there any particular club interest you would like to participate in or initiate?

Every best wish

Sincerely,  
Bob Stark
